

# Arbeitskreis Europäische Jugendwochen Burg Ludwigstein e.V.

Seit 1953 auf der Jugendburg Ludwigstein

## Participation requirements/ application formalities

The Organisation *Arbeitskreis Europäische Jugendwochen auf Burg Ludwigstein e.V.* is a member of Cioff-Germany and organises every summer a week-long festival at the castle *Burg Ludwigstein* in Witzenhausen, near Kassel. For that, we invite folkdance-groups /-music groups, and a German group.

The aim of this week is international understanding, sharing and getting to know other cultures, to reduce prejudices, thus giving rise to new friendships. In this case, all participants will spend the whole week at this castle (youth-hostel) together.

During this week, each group creates a "National Day": From breakfast together, shared learning of dances and songs to a 1.5 hour evening performance (including a break) on the outdoor stage just outside the walls of this magnificent castle, by the respective group. In the mornings, all participants attend various workshops (organised by us). During the week, some smaller performances are presented in the environment.

For our festival "European Youth Week - Europäische Jugendwoche" we are still looking for folklore/ music groups:

- Groups up to 30 persons (including bus driver, assistance, musicians.....)
- Of an age of around 16-30 years (we know, musicians, assistance could be older ☺ )
- You have to perform/ dance/ sing **with live music**

### Host/lodge:

All participants will be staying together the whole time in the castle "Burg Ludwigstein". It is a youth hostel. The rooms are from 2er- until to 8er bedrooms. Cost and lodge are free for you.

You have to organise your travel (cost) for yourself.

If we have piqued your interest, we would appreciate an **email** with your group informations.
